WORK EXPERIENCE

GenX eSolutions, Software Developer, Noida

July 2025 – Present

- Led end-to-end third-party API integration for a SaaS-based travel platform, using Restful API's implementing flight, transfer, and sightseeing modules using .NET Framework 4.5 and .NET Core MVC.
- Resolved critical system issues for Dynamic Tour & Travels and Somans Leisure clients, reducing booking response time by ~80% through optimised API calls and improved data handling.

Bathua Soft Pvt. Ltd, .NET Developer, Noida

Jan 2025 – July 2025

- Built a full-stack Store Management System using .NET Core, C#, Angular, and SQL Server for export -import material tracking with responsive UI.
- Developed RESTful APIs and optimised database performance using stored procedures, reducing query execution time.
- Implemented scalable backend architecture using Entity Framework Core, Dapper, and AutoMapper.

K.P. Infomedia, Web Developer, Kanpur

Feb 2024 – Aug 2024

- Developed and maintained custom WordPress and WooCommerce e-commerce websites, handling live server updates and feature enhancements.
- Used HTML, CSS, Bootstrap, jQuery, PHP, and MySQL to implement dynamic features and applied SEO best practices to improve site visibility.

DMSRDE, DRDO – Ministry of Defence, Govt. of India, Web Intern, Kanpur

June 2023 – July 2023

- Developed dynamic frontend features using JavaScript, improving user engagement and interface interactivity.
- Built and maintained backend systems using PHP and MySQL, ensuring data integrity and efficient retrieval.

PROJECTS

Travel Booking System (Multi Tenant)

Tech Stack: .NET Core MVC, .NET Framework 4.5, REST APIs, SQL Server, Angular, MicroServices

- Integrated third-party flight, transfer, and sightseeing APIs with data mapping and structured error handling.
- Optimised booking workflows and resolved transaction issues, improving overall system reliability and performance.

EDUCATION

U.I.E.T, Chhatrapati Shahu Ji Maharaj University, Kanpur

Aug 2020 – June 2024

Bachelor of Technology in Electronics and Communication Engineering | CGPA: 7.93 / 10
